How it works...

Disclosures and Important Information

PREMIUMS AND RENEWABILITY. Your coverage may be renewed for life so long as the policy remains in force and your premiums are paid on time. Your benefits and premiums will vary depending on the plan selected. Your premium could change if you move to a different area. Should a necessary premium change be made, it will only be made on a renewal date and only if it is made on all policies in the same class as determined by us. Premiums will increase because a person is one year older [(except in AZ, AR, GA and MO).]

READ YOUR POLICY CAREFULLY. This booklet provides a very brief description of the important policy features; it is not the insurance contract. Your policy contains all of the provisions with which both you and the Company must comply. It sets forth in detail the rights and obligations of both you and your insurance company. THIS IS A LIMITED POLICY DESIGNED TO COVER ONLY THOSE EXPENSES WHICH MEDICARE APPROVES BUT DOES NOT PAY. You will have a 30-day free-look period to review your policy. If you decide to send the policy back to us within this period, we will return all premiums.

[In Colorado, Illinois, Kansas, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, North Carolina, New Hampshire, Oklahoma, Oregon, Pennsylvania, South Dakota, Tennessee, Texas and Wisconsin, coverage is available to qualified Medicare beneficiaries under age 65.]

[Colorado law requires carriers to make available a Colorado Health Plan Description Form, which is intended to facilitate comparison of health plans. For Medicare Supplement plans, the Outline of Medicare Supplement Coverage form is provided.

This is a solicitation of insurance and an agent may contact you.

Not connected with or endorsed by the United States government or the federal Medicare program.

1 The couple's discount applies when two people over 18 years of age are living in the same household. In MT, the discount applies when two people have been living in the same household for at least 12 months. In OH, both people must have in force Medicare Supplement coverage with us. The couple's discount is no longer applicable if the couple's status changes.

2 This is your liability for covered charges. You are responsible for all other non-covered charges.

3 When your Medicare Part A hospital benefits are exhausted, the insurer stands in the place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time, the hospital is prohibited from billing you the balance based on any difference between its billed charges and the amount Medicare would have paid for Medicare-covered items or services.

4 Medicare only covers approved skilled nursing care in a Medicare-approved facility. Facility licensing terminology may vary by state and may not use "skilled nursing facility" terminology (i.e. nursing facility in Iowa). Freedom Medicare Supplement pays the skilled nursing coinsurance for Medicare-approved stays in facilities certified to provide Medicare skilled care.

5 Under federal law, doctors who do not accept assignment can charge up to 115% of the fee schedule amount for nonparticipating physicians. The patient does not have to pay charges that exceed that amount. Laws in Ohio prohibit medical providers from balance billing for charges above the Medicare-approved amount. Therefore, Ohio policies provide benefits for Part B excess charges only when services are rendered in another state.

We have additional Medicare supplement plans for you. Ask your agent for details.

30-Day Free Look Period

Take 30 days to review your coverage. If for any reason at all you decide this is not what you had in mind, just return your Certificate or policy. We will promptly cancel your coverage and refund any money you are owed.
